Step 10 – Competencies – Section 3

Provide a brief essay in the essay text box (1), then add any citations into the citations text box (2). Once you have finished, please click the orange “Submit” button (3) to submit your essay and to return to the competency section.

PPS1: Essay

Competency:
PPS1

Description:
Establish, deepen and conclude professional spiritual care relationships with sensitivity, openness, and respect.

Additional Instructions:
The ability to connect spiritually with care recipients while engaging them with sensitivity, openness, and respect is essential to developing rapport and building relationships, especially as they evolve over time. Using examples, demonstrate the skills you employ to initiate, deepen, and conclude spiritual relationships with care-recipients.

ACPE Outcomes L1.4, L1.5, L1.7, L2.2, L2.3, L2.7

Length Requirements:
Response length must be between 1200 and 3200 characters.
