Documentation	Description	
Primary Narrative	The Primary Narrative must be from your current work setting and from within the last twelve (12) months.	 <div><div>Provide Details</div><div>...</div></div>
Secondary Narrative	The Secondary Narrative must be from within the last twenty-four (24) months.	<div><div>Provide Details</div><div>...</div></div>

Step 6 - Clinical Contact Narratives

For the clinical contacts, you must demonstrate at least these three competencies ITP2, PPS10, and PPS11. The narratives will contain six (6) parts. Each part must be completed.

The primary narrative must be from your current work setting and within the last twelve (12) months.

Step 6 – Clinical Contact Narratives

Part 1

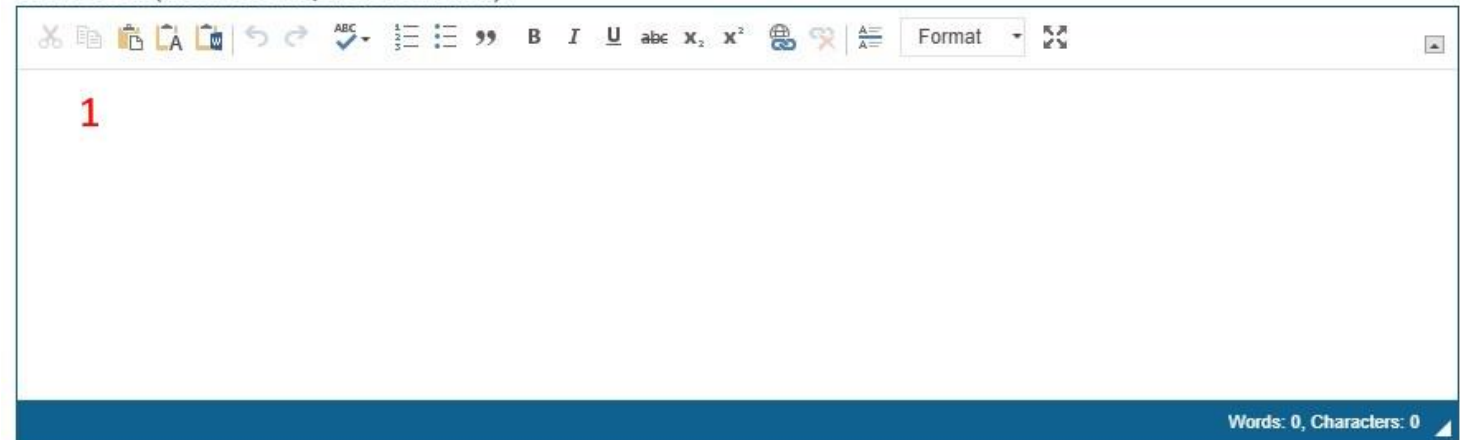

The response for this section must be between 1000 and 3500 characters. Enter your response in the text box (1).

If you have any citations, please list them in the citation box (2), otherwise enter N/A

Part 1: Length Requirements:

Response length must be between 1000 and 3500 characters.

Part 1: Context (known facts and person observations)*:

A screenshot of a rich text editor interface. The top toolbar contains various icons for text formatting (bold, italic, underline, text color, background color, bulleted list, numbered list, link, unlink, undo, redo) and a 'Format' dropdown menu. The main text area is empty, with a red '1' in the top left corner indicating the start of the response. At the bottom right of the text area, a status bar shows 'Words: 0, Characters: 0'.

Part 1: Citations (if none enter N/A)*:

A screenshot of a single-line text input field. A red '2' is in the top left corner of the box, indicating the start of the citation entry.

Step 6 - Clinical Contact Narratives
